

L&T Heavy Engineering

26th Dec 2022

Dear Supply Chain Partner,

Greetings from L&T Heavy Engineering & may this new year bring you great joy, good health & prosperity!

We sincerely hope You and your colleagues are safe and doing well. Your continued cooperation during these challenging times of multiple COVID waves has been exceptional for business continuity. We are sure that we will learn to be resilient and adopt new ways to improve our competitiveness and strengthen business associations taking it to new heights.

In continuation to our journey towards Digitalization, Supplier Performance data are now being captured for every transaction w.r.t. four parameters of Quality, Delivery, Documentation and Response on our homegrown **"Integrated Vendor Assessment & Performance Monitoring System"**. Technology and Data has enabled us to review and provide timely feedback on supplier performance to the concerned stakeholders, thereby improving Quality, Reliability and Competitiveness.

We are happy to announce the winners of the **"Supplier Performance Awards"** for the below mentioned categories for the **Financial Year FY-22 (01-Apr-2021 to 31-Mar-2022)**

Category	Category Winners
Forgings (>50MT)	M/s LTSSHF, India
Forgings (<50MT)	M/s CHW Forge, India
Plates	M/s AM/NS, India
